

Net Weight

CERTIFIED TO
NS 9415:2021

*Optimized for efficiency, safety and flexibility
in the aquaculture industry*

Product Advantages

Gentle on the net

- Reduces the risk of escape

Scalable and flexible

- Available in two segments: 83 kg and 253 kg
- Scalable to a maximum weight of 830 kg and 10,120 kg respectively

Materials

- Steel weight encapsulated in corrosion-resistant, net-friendly polyurethane
- No steel components in contact with the net

Innovative design

- Certified polyester straps
- Certified forged steel plug with MBL of 4 tons and 72 tons
- Can be used as a single weight loop by lacing a roundsling through the center hole

Other Advantages

- Reduces volume
- Increases reuse
- Minimizes HSE risks during handling
- Easy maintenance
